(b) Pronouns. The use of the masculine gender shall be deemed to include the feminine and neuter genders, and the use of the singular shall be deemed to include the plural and vice versa, whenever the context so requires.

(c) Severability. Each provision of an Association Document is severable from every other provision, and the invalidity or unenforceability of any one or more provisions shall not change the meaning of or otherwise affect any other provision. To the extent that any provision of the Association Documents is found to be overly broad or unenforceable and a narrower or partially enforceable construction may be given to such provision, then the narrower or partially enforceable construction shall be applied and, to the extent lawful, the provision shall be enforced.

(d) Interpretation. If there is any conflict among the Association Documents, the Declaration and thereafter, the applicable Supplementary Declaration shall control, except as to matters of compliance with the Act, in which case the Articles of Incorporation shall control. Specific provisions shall control general provisions, except that a construction consistent with the Act shall in all cases control over any construction inconsistent with the Act. The Association Documents shall be construed together and shall be deemed to incorporate one another in full. Any requirements as to the content of one shall be deemed satisfied if the deficiency can be cured by reference to any of the others.

ARTICLE 3

The Association does not contemplate pecuniary gain or profit to the Owners. No officer or director shall receive compensation from the Association for services performed in such capacity; provided however that nothing shall prohibit the Association from reimbursing its directors and Officers for all reasonable expenses incurred in performing services for the Association. The purposes for which the Association is organized are to:

(1) provide for the Upkeep of the Common Area and, to the extent provided in the Association Documents, of the Lots;

(3) promote and provide for the health, safety, convenience, comfort and the general welfare of the Owners of the Lots and the occupants of the Property;

(6) exercise the powers now or hereafter conferred by law on Virginia nonstock corporations as may be necessary or desirable to accomplish the purposes set forth above.

ARTICLE 4

MEMBERSHIP AND VOTING

Section 4.1. Membership. Members of the Association shall at all times be, and be limited to, the Declarant (during the Development Period) and the Owners. If more than one Person owns a Lot, then all of such Persons shall collectively constitute one Owner and be one member of the Association. The Declarant and each such Person is entitled to attend all meetings of the Association. Membership in the Association is mandatory and automatic with ownership of a Lot.

Section 4.2. Classes of Owners; Voting Rights.

(a) Classes; Voting Rights. The Association shall have the following classes of Owners (members):

The Class A Owners shall be the Owners, other than the Declarant during the Declarant Control Period. A Class A Owner shall have one vote for each Lot owned.

The Class B Owner shall be the Declarant. During the Declarant Control Period, the Class B Owner shall have 591 votes. If (i) the land described in Exhibit A to the Declaration is rezoned or the Development Plan is amended to permit a greater number of dwellings (or the Declarant obtains other approval to permit a greater number of dwellings) to be constructed than permitted at the time the Declaration is recorded, then the number of votes of the Class B Owner described above shall be increased by three times the number of additional dwellings permitted; or (ii) all or any portion of the land that was not originally described in Exhibit A to the Declaration is subjected to the Declaration, then the number of votes of the Class B Owner described above shall be increased by three times the number of dwellings that would be permitted on any Lots located on the whole of such residential land if such land were fully developed under the then applicable zoning and subdivision ordinances and subjected to the Declaration.

After the Declarant Control Period expires, the Class B membership shall expire and the Declarant shall become a Class A Owner and have Class A votes with respect to the Lots owned by the Declarant.

Any Person qualifying as a member of more than one voting class may exercise those votes to which such Person is entitled for each such class.

(b) Additional Provisions Governing Voting. Additional provisions governing voting rights and procedures shall be as set forth in Article 3 of the Bylaws.

Section 4.3. Required Vote. A Majority Vote of the Owners shall be necessary for the adoption of any matter voted upon, except as otherwise provided in the Association Documents. Directors shall be elected as provided in Article 5 below. The Bylaws shall be amended only in accordance with the terms thereof. The Association is also bound by the requirements set forth in the Declaration and shall not take any action in violation thereof. Voting shall not be conducted by class, unless specifically stated otherwise.

Section 4.4. Cumulative Voting. There shall be no cumulative voting.

ARTICLE 5

BOARD OF DIRECTORS

Section 5.1. Initial Directors. The three initial directors of the Association are Luke Linthicum, Stuart Prince and Todd Langford, each of whose business address is: 12500 Fair Lakes Circle, Suite 400, Fairfax, Virginia 22033. The initial directors shall serve until their successors are elected in accordance with Section 5.2 below. The Class B Owner shall be entitled to remove and replace the initial directors at will.

Section 5.2. Election of Directors and Term of Office

(a) Declarant-Controlled Board of Directors. The initial Board of Directors consists of three directors; thereafter, the number of directors may be increased to not more than five directors pursuant to this section and Section 4.2 of the Bylaws. All directors shall be elected by the Class B Owner who shall elect, remove and replace such directors at will, and designate the terms thereof, until the meeting described in Section 5.2(b) below is held at which all Owners with voting rights are entitled to elect a majority of the directors. Each director shall serve a three-year term.

(b) Owner-Controlled Board of Directors. At the earlier of: (i) the first annual meeting of the Association following the end of the Declarant Control Period or (ii) a special meeting called by the Class B Owner to transfer control of the Board of Directors, the number of directors may be increased to five in which event all but two of the directors elected by the Class B Owner shall resign and during the Development Period the Declarant shall have the right to elect, remove and replace two directors. If the number of directors is not increased, then all of the directors appointed by the Declarant shall resign. Thereafter, the remaining directors shall be elected by all Owners having voting rights, including the Declarant. After the Class B membership has expired, the two director positions previously voted upon solely by the Class B Owner shall be voted upon by all Owners having voting rights or the total number of directors may be reduced by amendment to the Bylaws.

The term of office of at least one but fewer than three of the directors elected by the Owners, including the Declarant, shall expire at the third annual meeting following the election. The term of office of at least one but fewer than three of the directors shall expire at the second annual meeting following the election. The term of office of at least one but fewer than three of the directors shall expire at the first annual meeting following the election. The directors receiving the greatest number of votes shall be elected for the longest available terms. The actual number of directors whose terms of office expires at each of the three annual meetings described in the preceding sentences shall be one-third (or a whole number as near to one-third of the total number of directors as possible) of the total number of directors. Thereafter, each director shall serve for a three-year term. If the aggregate number of directors is changed, terms shall be established so that one-third (or a whole number as near to one-third of the total number of directors as possible) of the total number of directors is elected each year.

All successor directors shall be elected to serve for staggered terms of three years each, unless elected to fill a vacancy, in which case such director shall serve as provided in Section 5.6 below. Except for death, resignation or removal, the directors shall hold office until their respective successors shall have been elected. If an election is not held when required, the directors holding over shall have the authority and power to manage the business of the Association until their successors are duly elected.

Section 5.3. Qualifications; Election Procedures. No person shall be eligible for election as a director unless such person is an Owner, the Declarant (or a designee of the Declarant) or a Mortgagee in possession (or a designee of a Mortgagee in possession). No Class A Owner shall be elected as a director or continue to serve as a director if such Owner is more than sixty days delinquent in meeting financial obligations to the Association or found by the Board of Directors after a hearing to be in violation of the Association Documents or Rules and Regulations.

(a) Elections Committee. Prior to each meeting of the Association at which the directors are elected by Owners other than the Class B Owner, the Board of Directors may appoint an Elections Committee consisting of one director whose term is not then expiring and at least two other persons who are not directors. The Elections Committee shall develop election procedures and administer such procedures as are approved by the Board providing for nomination and election of directors by ballot of the Owners at annual meetings and, where appropriate, special meetings.

(b) Declarant Control Period. Notwithstanding any other provision of this section, during the Declarant Control Period the Board of Directors may waive or modify any requirements under this section.

Section 5.4. Action by Board of Directors. At all meetings of the Board of Directors a majority of the total number of directors shall constitute a quorum for the transaction of business. A Majority Vote of the directors while a quorum is present shall constitute a decision of the Board of Directors, unless otherwise provided in the Act, these Articles of Incorporation or the Bylaws. The Board of Directors may not mortgage, pledge or dedicate to the repayment of indebtedness or otherwise transfer, convey or encumber any or all of the Association property without the approval of the Owners and Mortgagees as required by Section 14.4 of the Declaration.

Section 5.5. Removal or Resignation of Directors. Except with respect to initial directors, directors elected solely by the Class B Owner and replacements thereof, at any regular or special meeting of the Association duly called, any one or more of the directors may be removed with or without cause by the Owners entitled to cast a majority of the total number of votes entitled to elect such director, or as otherwise provided in the Act, and a successor may then and there be elected to fill the vacancy thus created.

Any director whose removal has been proposed by the Owners shall be given at least ten days notice of the time, place and purpose of the meeting and shall be given an opportunity to be heard at the meeting. The notice given to Owners of such meeting shall state that one of the purposes of the meeting is to remove such director. A director may resign at any time by giving notice to the Board of Directors, the President or the Secretary. Unless otherwise specified, such resignation shall take effect upon the receipt thereof and the acceptance of such resignation shall not be necessary to make it effective. Except for directors elected solely by the Class B Owner, a director shall be deemed to have resigned upon disposition by the Owner of the Lot which made such person eligible to be a director, or if such director is not in attendance at three consecutive regular meetings of the Board without approval for such absence, and the minutes reflect the director's resignation pursuant to this section. The Declarant as the Class B Owner may remove and replace at will any initial director or director elected by the Class B Owner.

Section 5.6. Vacancies. Vacancies on the Board of Directors caused by any reason other than: (i) the removal of a director by the Owners; or (ii) removal or resignation of an initial director or a director elected solely by the Class B Owner shall be filled by a Majority Vote of the remaining directors at the meeting of the Board held for such purpose promptly after the occurrence of such vacancy or, if the directors remaining in office constitute fewer than a quorum, an affirmative vote of the majority of the directors remaining in office even though the directors present at such meeting constitute less than a quorum. Each person so elected shall be a director until a successor shall be elected at the next annual meeting of the Association. Vacancies caused by removal of a director by the Owners shall be filled by a vote of the Owners and the successor director shall serve the remainder of the term of the director being replaced. The Class B Owner shall elect the successor to an initial director or any director elected by the Class B Owner. The term of a replacement director shall expire so that the staggered terms shall remain unaffected.

These Articles may be amended if the amendment is adopted by at least a Sixty-Seven Percent Vote of the Owners, pursuant to Section 13.1-886 of the Act.
